

# My Needs Card Participant Catalog

With your “My Needs Card” benefit, you’ll receive **\$220/month,\*** plus the **chance to earn an additional \$30 for each completed action (or \$360/year)** through wellness rewards.\*\*

The benefit is available on the 1st of each month. Unused amounts do not carry over to the next month.

You can use your My Needs Card to purchase food, groceries, toiletries and eligible over-the-counter (OTC) products. You may also use your My Needs Card for **utilities like electric, natural gas, phone and water bills; fitness memberships; and transportation to non-medical appointments.**

You should have already received your My Needs Card by mail with instructions on how you can activate it at CenterLight PACE’s Start of Care Fair.

#### **REMINDERS:**

- Your My Needs Card will be **temporarily put on hold if you are admitted to a hospital, nursing home, or skilled nursing facility, or if you will be leaving the country** for less than 30 days. More than 30 days makes you at risk for disenrollment. Your card will be reactivated when you return to the community/get back from your trip.
- Your My Needs Card will be **temporarily deactivated if you miss your required semiannual and annual assessments or when your Medicare is not linked to CenterLight.** Many of these assessments can be completed at the Day Health Center.

*\*Any unused monthly My Needs Card benefit amount expires and does not roll over to the next month. However, earned wellness rewards can be used until the end of the year. The “My Needs Card” does not substitute for required or already provided Medicaid and/or Medicare covered services under PACE. The Interdisciplinary Team determines medical necessity.*

*\*Rewards can be earned by completing an action, see next page for details.*

*\*\*\*Stockable items, doses, brands and costs may vary depending on location.*
